

## Column Method with Exchange

Activity:

Use the column method to answer the following chilli challenge questions (for guidance on this see the attached guide sheet and Powerpoint).

Begin with **Mild**, if you find this easy move onto **Hot** and then **Flaming Hot**.

You need to complete at least 8 questions but if you can do more - that's even better! The more practise you get the better you will be at it.

### Mild

1)  $23 - 14 =$

2)  $36 - 19 =$

3)  $41 - 15 =$

4)  $44 - 27 =$

5)  $56 - 39 =$

### Hot

1)  $152 - 49 =$

2)  $246 - 127 =$

3)  $235 - 163 =$

4)  $360 - 175 =$

5)  $521 - 334 =$

### Flaming Hot

1)  $1523 - 485 =$

2)  $1465 - 847 =$

3)  $2540 - 1725 =$

4)  $3582 - 1674 =$

5)  $5334 - 3555 =$
