- Class 4 will be taught by Miss Secker with teaching assistant support from Mrs McCandless, Mrs Scott, Mrs Jhugroo and Miss Bridgeman.
- Please try and listen to your child read each evening. In school each week, your child will be heard read once with a comprehension focus and once with an inference focus.
- Spellings will be given to pupils every Wednesday and tested on the following Monday so they have the weekend to help learn them. Please encourage your child to complete their spelling shed activity sheet. The children can also use their spelling work books as a place to practice their times tables for their weekly test. In the front of their spelling books, the children have a copy of their spelling shed login, so that they can practice the optional online spelling tasks/games via the spelling shed website for further revision.
- All pupils have a copy of their Sumdog logins in the front inside page of their spelling homework books to allow them to access times tables and general maths practice at home. When an optional task becomes available, a notice will be written on the weekly spelling homework sheet. ***Please get in touch if you or your child are unable to access their Sumdog login.***
- Children will require their PE bags in school **all week** - including a pair of socks. PE sessions for Class 4 are timetabled to take place every Monday and Thursday.
- Please actively encourage your child to learn the multiplication tables thoroughly, as sound knowledge will help their confidence in many areas of mathematics.
